

## GenPath: The Premier Women's Health Laboratory in Colorado

Since its inception in 2005, GenPath Women's Health has risen to become one of the most respected specialty labs in the country, including the development of an innovative technology platform for sexually transmitted and other vaginal infections, pan-ethnic carrier testing and maternal risk assessment and prenatal diagnosis.

GenPath has grown and evolved to become the One Lab for every phase of a patient's life. As your laboratory partner, GenPath offers solutions for all your testing needs, service needs and technological/connectivity needs.

### The benefits of GenPath for physicians and patients in Colorado:

- Dedicated Account Representatives attuned to your specific needs
- Regional courier dispatch service to manage specimen pickup
- One lab to handle all of your testing needs—from routine to esoteric
- Local service backed by national resources

### In addition, GenPath offers state-of-the-art connectivity solutions including:

- Ability to interface with all EMRs
- Cumulative patient history
- Convenient electronic test ordering
- Laboratory analytics to help manage patient care
- Prompt and easy retrieval of test results

### To provide better service to your patients, GenPath is contracted as an in-network provider with most major health plans in Colorado, including:

Aetna

Cigna

United  
Healthcare

WellPoint

Medicare

Medicaid

GenPath is a business unit of BioReference Laboratories, Inc.

BioReference Laboratories will file all claims with the above listed payers. Please be aware that this is not a complete list of all health plans with which we participate and is subject to change over time. There may be exceptions in certain areas or for certain members or plans. Other insurance plans not listed may generate a patient bill that the insured individual may be able to use to submit for reimbursement. If you have any question regarding BioReference Laboratories participation with a specific product or health plan, please contact us.
