

BioReference: Rhode Island's Premier Full Service Laboratory

BioReference Laboratories is the third largest clinical laboratory in the United States, offering a comprehensive list of laboratory testing services utilized by healthcare providers in the detection, diagnosis, evaluation, monitoring and treatment of diseases. The BioReference family of laboratories includes GenPath, a nationwide Oncology and Women's Health laboratory; GeneDx, a world renowned genetics laboratory specializing in rare and inherited disorders; and Laboratorio Buena Salud, the first national laboratory dedicated exclusively to serving Spanish-speaking providers and patients.

Since its inception in 2005, GenPath Women's Health has risen to become one of the premier specialty labs in the country, including the development of an innovative technology platform for sexually transmitted and other vaginal infections, pan-ethnic carrier testing and maternal risk assessment and prenatal diagnosis.

The benefits of BioReference for physicians and patients in Rhode Island:

- Dedicated Account Representatives attuned to your specific needs
- All patient materials available in Spanish
- Regional courier dispatch service to manage specimen pickup
- Comprehensive network of patient service centers

In addition, BioReference offers state-of-the art connectivity solutions including:

- Ability to interface with all EMRs
- Convenient electronic test ordering
- Prompt and easy retrieval of test results
- Cumulative patient history
- Laboratory analytics to help manage patient care
