

BioReference: Tennessee's Premier Full Service Laboratory

BioReference Laboratories, a wholly owned subsidiary of OPKO Health, Inc., is the third largest clinical laboratory in the United States, offering a comprehensive list of laboratory testing services utilized by healthcare providers in the detection, diagnosis, evaluation, monitoring and treatment of diseases. The BioReference family of laboratories includes GenPath, a nationwide Oncology and Women's Health specialty laboratory; GeneDx, a world renowned genetics laboratory specializing in rare and inherited disorders; and Laboratorio Buena Salud, the first national laboratory dedicated exclusively to serving Spanish-speaking providers and patients.

Since its founding in 1981, BioReference has grown behind its core mission of providing the highest quality diagnostic services to each patient. No other laboratory matches our routine clinical testing capabilities and breadth of genomic testing in various markets including oncology, women's health and genetics.

The benefits of BioReference for physicians and patients in Tennessee:

- Dedicated Account Representatives attuned to your specific needs
- Regional courier dispatch service to manage specimen pickup
- All patient materials available in Spanish
- A comprehensive network of patient service centers
- One lab to handle all of your testing needs—from routine to esoteric

In addition, BioReference offers state-of-the art connectivity solutions including:

- Ability to interface with all EMRs
- Convenient electronic test ordering
- Prompt and easy retrieval of test results
- Cumulative patient history
- Laboratory analytics to help manage patient care

To provide better service to your patients, BioReference is contracted with most major health plans in Tennessee, including:
