

BioReference: Indiana's Premier Full Service Laboratory

BioReference® | GenPath®

For more than four decades, BioReference has built a legacy based on scientific excellence, innovation and world-class service in laboratory testing solutions.

As a full service laboratory with specialty divisions dedicated to innovative and clinically relevant testing in the fields of oncology, urology and women's health, the experienced medical team at BioReference combines their scientific expertise with actionable test data to provide credible and tailored solutions for a wide spectrum of patients, healthcare providers and health insurance plans.

The benefits of BioReference for physicians and patients in Indiana:

- Dedicated Account Representative attuned to healthcare provider's specific needs
- Regional courier dispatch service to manage specimen pickup
- Multi-lingual patient education materials available
- One lab to handle all of your testing needs, from routine to esoteric
- Regional laboratory network to help ensure prompt service

In addition, BioReference offers state-of-the art connectivity solutions including:

- Ability to interface with all EMRs
- Convenient electronic test ordering
- Prompt and easy retrieval of test results
- Cumulative patient history
- Laboratory analytics to help manage patient care

To provide better service to your patients, BioReference is contracted with most major health plans in Indiana, including:
